END-OF-SEMESTER EXAMINATIONS & PRESENTATIONS FURTHER INFORMATION

The CHC [Examinations](#) and [Assessment](#) policies contain explanations of terms and the conditions under which examinations and assessment items are conducted.

Students who are enrolled in units in the external mode undertake *on campus* or *external* sittings of examinations according to their location. The conditions that determine this are explained in the CHC [Invigilation of External Examinations](#) policy.

Students who wish to apply for special consideration with regard to end-of-semester examinations and presentations are to consult the CHC [Examinations](#) policy for the process by which applications are made. Applications for special consideration must be submitted no later than the beginning of **Week 11** of the semester.

Examinations that are **time-limited** are those in which extra time is not permitted. In the case of an examination that is time-limited, students who believe that they have special circumstances which justify additional time may apply in writing to the Dean of their School for special consideration no later than the beginning of **Week 11** of the semester.

The conditions under which students may apply for a deferred examination are described in the CHC [Examinations](#) policy.

All policies are located on the CHC [website](#).
