

RANK ADJUSTMENTS SCHEMES

The following schemes are used by Christian Heritage College (CHC) to provide adjustments to the selection ranks of applicants to CHC courses for admissions purposes:

- CHC Partnership School Scheme;
- CHC Community Engagement Scheme; and
- Educational Access Scheme (EAS).

Applicants must meet all other admission requirements for their preferred courses prior to the adjustments being applied. Only one scheme can be applied to an applicant's selection rank.

The requirements of the schemes, and the adjustments they provide, are explained below.

CHC PARTNERSHIP SCHOOL SCHEME

Year 12 applicants can benefit from an adjustment of 2.00 selection ranks by completing Year 12 at a CHC Partner School (see Appendix 1).

CHC COMMUNITY ENGAGEMENT SCHEME

The CHC Community Engagement Scheme allows an adjustment of 2.00 selection ranks for applicants in CHC's catchment area, according to their residential postcode (see Appendix 2).

EDUCATIONAL ACCESS SCHEME (EAS)

The Educational Access Scheme (EAS) allows an adjustment to be applied to the selection rank of applicants who have experienced difficult circumstances that have adversely impacted their studies. To be considered, applicants apply to QTAC for a confidential assessment of their circumstances.

APPENDIX 1: CHC PARTNER SCHOOLS

The following are the schools to which the CHC Partnership School Scheme applies (as at August 2024):

PARTNER SCHOOLS BY LOCALITY	PARTNER SCHOOLS BY LOCALITY
