

# UNITS ON OFFER

## SEMESTER 2, 2021

This document lists the units of study that are available to students in CHC courses in Semester 2, 2021 and the units of study that are available to Years 11 and 12 students in the LAUNCH program in Semester 2, 2021. This information is made available to current and prospective students to assist with the calculation of tuition fees and student contribution amounts (as applicable) for units of study at CHC in Semester 2, 2021.

This document should be read in conjunction with the *Unit Costs 2021*, *Allocation of Units to Fields of Education 2021* and *EFTSL Values for Units of Study 2021* documents on the CHC website.

Information for units of study is provided as follows:

- Business;
- Education;
- Humanities and Liberal Arts;
- Ministries;
- Social Sciences; and
- LAUNCH program.

Christian Heritage College (CHC) reserves the right to remove units of study from offer, in which case CHC will contact students regarding alternative arrangements.

The following information is provided for each of the units to be offered in Semester 2, 2021 (as applicable).

## MODES OF DELIVERY

The *modes of delivery* used in this document are as follows:

- **internal** – denotes weekly on campus classes, usually consisting of three hours of face-to-face contact per teaching week;
- **intensive** – denotes periodic on campus classes, usually consisting of two or three sessions of whole-day face-to-face contact during a semester; and
- **external/online** – denotes distance education with no on campus classes.

For each mode, virtual classes might be scheduled from time to time using platforms such as Microsoft Teams and Zoom.

## CREDIT POINT WEIGHTING

The *credit point weighting* indicates the number of hours per week that students would normally be expected to devote to studies in each unit of study across the semester. This includes (as applicable) attendance at on campus classes, participation in online classes, reading and preparation for classes, study and research, assessment work, etc.

## DOMESTIC TUITION FEES

The domestic tuition fees shown are the fees that are payable by students who are Australian citizens, Australian permanent residents, Australian permanent humanitarian visa holders and New Zealand citizens and who are in fee-paying places at CHC.

## INTERNATIONAL TUITION FEES

The international tuition fees shown are the fees that are payable by students who are studying in Australia (onshore) under the provisions of a temporary visa, such as a student visa, business visa or spousal visa issued by the Department of Home Affairs, and students who are studying in their home countries via external/online enrolment (offshore).

## STUDENT CONTRIBUTION AMOUNTS

The student contributions shown are the contributions that are payable by students who are in Commonwealth supported places (CSPs). At CHC, CSPs are available in a limited number of courses only. To be eligible for a CSP, students must be Australian citizens who will be resident in Australia for at least one unit in their course, or New Zealand citizens, Australian permanent residents or Australian permanent humanitarian visa holders who will be resident in Australia for the duration of their course.

The student contribution amounts shown in the '**2021 CSP**' column apply to students who commenced a course in a CSP from 1 January 2021. Those shown in the '**PRE-2021 CSP**' column apply to students who commenced a course in a CSP prior to 1 January 2021.

The different student contribution amounts are based upon funding arrangements included in the Commonwealth government's 'Job-ready Graduates' package of university reforms. Under these arrangements, students who commenced their courses in CSPs on or after 1 January 2021 are subject to the new arrangements, while students who commenced their courses in CSPs before 1 January 2021 are subject to grandfathered arrangements. These arrangements are reflected in the amounts that appear in the respective '**CSP**' columns in the tables on the following pages.

## NOTES

1. Units that are indicated by '\*' require Course Coordinator approval for enrolment. Students who wish to undertake these units must consult their Course Coordinators.
2. The absence of a fee or student contribution amount against a unit indicates that the unit is not available to that category of students.

## PAYMENT OF TUITION FEES AND STUDENT CONTRIBUTION AMOUNTS

Tuition fees and student contribution amounts must be paid to CHC by the due date that is declared for each semester. The means by which tuition fees and student contribution amounts can be paid to CHC are indicated in the relevant sections of the *Unit Costs 2021* document on the CHC website.

Eligible students can defer all or some of their tuition fees and student contribution amounts to FEE-HELP and HECS-HELP (respectively). Eligibility requirements for HELP are indicated in the relevant section of the *Unit Costs 2021* document on the CHC website. *Please note that accessing HELP does not mean that a student is in a Commonwealth supported place.*
