

RANK ADJUSTMENT SCHEMES

2021 ADMISSIONS

The following schemes are used by Christian Heritage College (CHC) to provide adjustments to the selection ranks of applicants to CHC courses for admissions purposes:

- Headmaster's Recommendation Scheme;
- CHC Partnership School Scheme;
- CHC Community Engagement Scheme; and
- Educational Access Scheme (EAS).

Applicants must meet all other admission requirements for their preferred courses prior to the adjustments being applied. Only one scheme can be applied to an applicant's selection rank.

The requirements of the schemes, and the adjustments they provide, are explained below.

HEADMASTER'S RECOMMENDATION SCHEME

Year 12 applicants can benefit from an adjustment to their selection rank by having the Headmaster of their school provide a signed statement that recommends admission to CHC based upon their potential for success in higher education and in their preferred course at CHC.

CHC PARTNERSHIP SCHOOL SCHEME

Year 12 applicants can benefit from an adjustment to their selection rank by completing Year 12 at a CHC Partner School (as listed in Appendix 1).

CHC COMMUNITY ENGAGEMENT SCHEME

The CHC Community Engagement Scheme allows an adjustment to be applied to the selection rank of applicants in CHC's catchment area, according to their residential postcode (as listed in Appendix 2).

EDUCATIONAL ACCESS SCHEME (EAS)

The Educational Access Scheme (EAS) allows an adjustment to be applied to the selection rank of applicants who have experienced difficult circumstances that have adversely impacted their studies. To be considered, applicants apply to QTAC for a confidential assessment of their circumstances.
