<b>Rationale</b>	<p>This unit seeks to lay a foundation for the ongoing development of a Christian worldview as a paradigm that guides professional life. It provides scaffolding for an understanding of the Bible as a whole and offers insight into key themes from within Scripture and the outcomes that arise from an effective grasp of the themes in practical terms.</p> <p>This unit provides knowledge at a broad level that may be used as a basis for independent lifelong learning and to assist students to develop self-awareness in communication skills.</p>
