

# Accessing Moodle

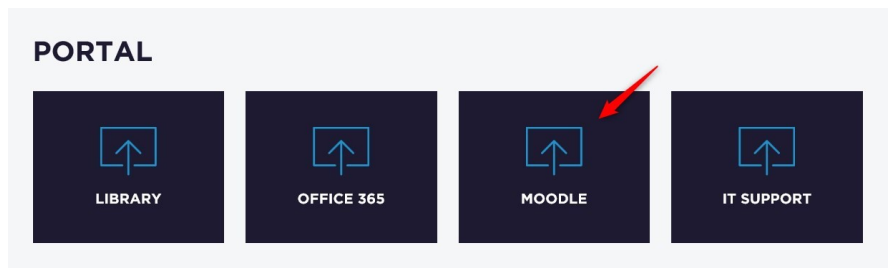

## Please note:

This instruction only gives you information on how to access Moodle. Other Moodle related documents are found on the **All things Moodle** (under **Student Support**) page on Moodle.

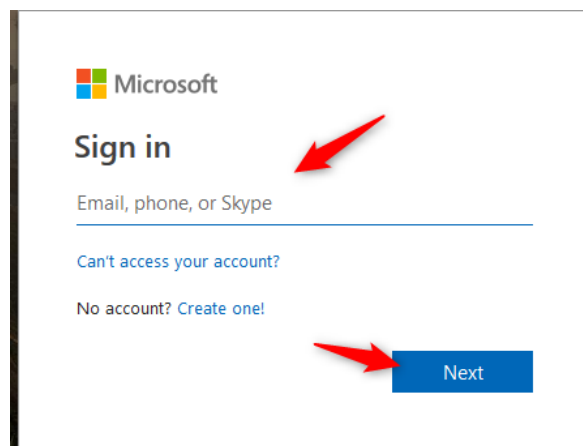

1. Open your browser at [www.chc.edu.au](http://www.chc.edu.au) and click on the **Portal** link.

2. Click on the **Moodle** button.

3. If you are not currently logged into your CHC Office 365 on a browser tab, then login credentials will be required. Enter your **CHC Office 365 Email address** and click **Next**.

4. Enter your CHC Office 365 **password**.

5. Click **Yes** if you wish to stay signed in (your browser will remember your login details, so you won't need to log in from the next time).  
Click **No** if you wish not to save your login details in your browser.

6. Once you successfully log in to Moodle, you will see your name on the top right corner of the screen.
