**SEMESTER 1, 2021 TIMETABLE**

**HOW TO READ THE TIMETABLE**

The **Timetable** provides information regarding units which are held weekly (on campus and online), as intensive classes and as non-weekly online classes. To locate all instances of where a unit code appears on the timetable, search for the code of each unit you are studying (normally 'Ctrl-F) and note each instance in the timetable that the code is highlighted.

**Weekly classes (on campus and online):**

Each timetable entry includes a **unit code**, **tutorial group** (if applicable) and **lecturer's initials**. If more than one tutorial group is offered, this is indicated by the letters 'X' through 'Z', depending upon the number of groups required. Weekly classes that are held on campus also display a **room allocation**, while those classes that are online are noted as 'OL'. If the on campus and online classes are held at the same time, the room allocation is accompanied by '+ OL'.

**Intensive classes:**

Each timetable entry includes a **unit code**, **lecturer's initials**, **dates of classes** and **room**.

**Online classes (non-weekly):**

Each timetable entry includes a **unit code**, **day and time**.

**CHANGES TO UNIT SELECTION**

If any of the units you have selected are scheduled for the same time(s), or a change to the timetable requires a change to your unit selection, please contact your Course Coordinator to discuss your enrolment options. The conditions that apply to changes to unit selection appear below.
