WELCOME

Welcome to Christian Heritage College and to the School of Ministries. The courses offered by the School of Ministries are delivered by [Citipointe Ministry College \(CMC\)](#), which is a ministry of [Citipointe Church](#). The Global Senior Pastor of Citipointe Church, Pastor Mark Ramsey, is the President of Citipointe Ministry College, and the Dean of the School of Ministries is Pastor Andrew Staggs.

From the President of Citipointe Ministry College

Hi and welcome to study in 2021.

God has given us a unique opportunity to impact our world if we are willing to take up the challenge and go to the next level. It is for this reason that I am excited about training within this season.

Genuine success – from God’s point of view – is rooted in what God calls us to be, in what God sets as the goals for our lives. Success in our relationships, in our character, with our finances and in our service to Him all stems out of who we are in Him. It is the continuing process of becoming the person God wants you to be and accomplishing the goals He has helped you set.

As the Global Senior Pastor of Citipointe Church and President of Citipointe Ministry College, my staff and I are committed to helping you succeed in life. I am confident that your time with us will be rewarding, fruitful and challenging. Your life will change!

It is a great thing to realise God’s plan for your life. Let us prepare for success together. It’s great to have you with us.

Pastor Mark Ramsey

From the Dean of the School of Ministries

We count it a privilege that you have chosen Citipointe Ministry College, which is the School of Ministries of Christian Heritage College, to train you for your future. Our heart’s desire is to work together with the Holy Spirit to equip and shape you to fulfil your destiny.

Jesus made a very pertinent statement with regard to learning. He said, “Take heed what you hear. With the same measure you use, it will be measured to you; and to you who hear, more will be given.” As you embark on this great development period of your life, the amount you desire to achieve can be determined before you commence – for it will be in direct proportion to the effort you put in.

This handbook has been developed to help you become orientated to “college life”. In it you will find standards to challenge and change your life as well as help to aid and guide you through your time with us.

On first reading this might seem daunting to some and easy to others. However, we recommend that you familiarise yourself with the handbook. Keep it on hand; some parts are clear and simple, others will be better understood as you progress your way through the course. As you become acquainted with the contents, you will be able to refer to it as you need.

It is my prayer that the School of Ministries will play a major part in the fruitfulness of your ministry both now and in the future. I look forward to seeing that fruitfulness develop.

Pastor Andrew Staggs

1.2 ATTENDANCE AND ENGAGEMENT

All students

All internal students (and, where possible, external/online students) are required to be actively involved in worship and devotional meetings, ministry seminars, treks, outreach and missions workshops and programs for the ongoing enrichment and development of personal and community life. Of particular note is the Ministry Development Week each semester. This compulsory week is designed to get students' head-heart-hands working together, in a range of activities that are others-focussed and above-and-beyond their normal commitments.

All full-time internal first year students, and others as requested, are required to attend academic writing skills classes to promote good academic practice, unless granted exemption by the Board of Studies.

A student may be required to complete a supplementary item if more than two unexplained absences occur.

Internal/on-campus mode units

Classes commence with prayer and chapel at 6.00pm on Mondays, and 8.15am on Tuesdays, Wednesdays and Thursdays. This is a significant opportunity for students and lecturers to meet, pray, worship, practice ministry, be coached and build community. Students are expected to make this time a priority.

The School has a culture of capturing the content of lectures and learning environments to enhance learning, communication and collaboration for all our students. Audio recordings, video recordings, live streaming, and still photography are an active part of the church life, education activities and services. These are regularly reviewed, sometimes edited, and uploaded to the Moodle learning platform, social media pages and the like. Lecturers, staff and contractors endeavour to take care that the content is suitable and safe for all parties involved.

External/online mode units

Students who are enrolled as external/online students in a unit are encouraged to attend internal classes throughout the semester. Please contact cmc@citipointechurch.com and your lecturer to advise of attendance at internal classes.

1.3 UNITS AND MODES

The undergraduate Ministries courses and most postgraduate Ministries courses are available in both *internal* and *external/online* modes and may be studied full-time or part-time, unless indicated in the relevant course section. Students may enrol in units within their courses in either mode (as offered).

The Master of Ministry Leadership is available in *intensive* mode only.

Units offered in the internal mode normally involve three hours of scheduled classes per week; however, some internal units may be scheduled as intensives in which the contact hours are condensed into a number of whole or part days, and some might also involve scheduled online classes. Units offered in the external mode are supported by learning resources that are provided to students electronically via a Moodle web page and might also involve scheduled online classes.

Please note that not all units are offered in every semester, and modes of offering in the undergraduate courses can vary. For advice regarding the availability of units, modes of offering and unit prerequisite requirements, students should consult their Course Coordinator.

Sample outlines for all units in the Ministries courses are available on the CHC website.

1.4 CALENDAR AND IMPORTANT DATES

For up-to-date information, please check the *Calendar and Important Dates* on the [Documents](#) page of the CHC website on a regular basis as dates are subject to change.

These documents provide semester start and finish dates, census dates and other administrative dates. It is important that you are aware of these dates for meeting your responsibilities regarding your enrolment and payment of unit costs.

1.5 BLUE CARD

Students must make application for a Blue Card (or equivalent) and have received this card prior to engaging in ministry with children and young people under the age of 18 years of age within the course of their ministry practice units or practicum units.

It develops students' academic skills for lifelong learning and is designed to equip students with the practical skills to function effectively in a professional ministry context. The course equips students with skills in critical thinking, interpersonal relationships, ethics and compliance, personal development practices, action and reflection processes, working within teams, self and spiritual disciplines and management, leadership, and organisational management.

The maximum time allowed for the completion of the Bachelor of Ministry is 10 years.

- *Field B – Ministry Formation* provides students with personal, theological, ethical and legislative formation to underpin Ministry Practice.
- *Field C – Ministry Practice* provides students with core ministry skills leading to the development of students in various areas of ministry practice.

3.5 MASTER OF MINISTRY LEADERSHIP (MS51)

The Master of Ministry Leadership is a one-year course (full-time equivalent), but is available on a part-time basis only, at a rate of one unit per semester over four years.

Units in the Master of Ministry Leadership are offered as intensives in the internal mode only. Concurrent involvement in professional ministry practice is required for the duration of the course.

Ministry leaders at all levels of responsibility, including senior, and executive- and departmental-level leaders, are required to function both within distinctly ministry elements of their divine calling, and as Chief Executive Officers, senior managers and managers of their churches and ministry organisations. Likewise, ministry organisations are divinely appointed and commissioned, but must operate within legislation. As such, ministry leaders are called to 'co-mission' together with God in leading, directing and managing their ministry organisations within society.

Although there are numerous models and theories of leadership and organisational management, an integrative approach for ministry leadership is one which should engage and reflect both biblical and theological perspectives. The Master of Ministry Leadership recognises the complementary nature of the various sources of knowledge to inform such an integrative approach. Consequently, the course draws upon the outcomes of social science research into leadership and organisational behaviour, together with biblical and theological perspectives on leadership within the context of ministry.

The maximum time allowed for the completion of the Master of Ministry Leadership is 10 years.

4.3 OTHER REQUIREMENTS

4.1 COMPUTING FACILITIES

All students will require computer and internet access for engaging with their studies. A limited number of computers are available for student use at the Learning Hub.

Students at CHC are assigned a dedicated email address and this will be used to deliver important information and documentation. You will be assigned individualised login details for using Library services and the Moodle learning platform. You are also assigned individual space on the student server for the purpose of data storage. You are expected to check your email and access the Moodle site for relevant class materials and online activities on a regular basis.

All courses offered by CHC require the ongoing use of computer technology. To engage fully with the learning experience for the duration of their studies, students will need to have access to and be able to use internet-connected devices and have reliable connectivity to the internet. Students are expected to find, use and disseminate information, upload and download documents and video and audio files, prepare assessments and presentations, communicate with faculty using CHC student email and audio-visual communication tools, and manage and back up files.

4.2 TEXTBOOKS

Each semester a textbook list is published on the CHC website along with information about where to purchase the texts. Information about required textbooks is also included in unit outlines. Students will be expected to have all required textbooks available, to read them as required by the lecturer and to use them as relevant in the preparation of assessment tasks. While the CHC Library does maintain copies of all textbooks, class sizes and reading requirements may make it impossible to access the required information as needed for classes in a timely fashion without a personal copy of the textbook.

4.3 OTHER REQUIREMENTS

Information regarding any additional specific requirements is published in the 'Specialist resource requirements' section in unit outlines.
