

COMMENCING STUDENT UNIT SELECTION GUIDE EDUCATION COURSES

Welcome to the School of Education and Humanities. The purpose of this guide is to assist you with your unit selection for your first semester of study.

You will need to select the units in which you wish to enrol for this semester.

A normal full-time study load is 4 units. Part-time students will choose how many units they enrol in depending on their other commitments.

To be eligible for Centrelink payments in approved courses, students must enrol in at least 75% of a normal full-time study load, or at least 3 units¹.

If you think that you may be eligible for transfer of credit or exemption from any of the units in your course, you should contact your Course Coordinator as soon as possible, as you may not apply for transfer of credit for a unit in which you are currently enrolled.

SELECTING YOUR UNITS

To select your units log in to the *MyCHC* student portal and follow these instructions:

- On the home page, select the *Class Enrolment* icon.
- Choose your current course name.
- Choose the semester you want to enrol in.
- Keep the enrolment type as "All".
- Tick the subject(s) you want to enrol in. When you have selected a subject(s) the class list will appear at the bottom of the screen.
- Tick the class you want to enrol in (the available online and on campus options will show along with any tutorial options).
- Click the 'Enrol Now' button located on the right-hand side of the screen.

Students who have received credit transfer for any of the units indicated should contact their Course Coordinator for advice regarding their unit selection.

The *Education Courses Handbook* contains information regarding the requirements for completion of the Education courses. If you have any questions regarding these requirements, please contact your Course Coordinator.

¹ Contact CHC Student Administration for information regarding the courses that are approved courses for Centrelink payments.
