

UNIT SELECTION GUIDE

LAUNCH PROGRAM

SEMESTER 2, 2022

Welcome to the LAUNCH program at Christian Heritage College (CHC). The purpose of this guide is to assist you with your unit selection for Semester 2, 2022. As part of the LAUNCH program, you can study one CHC unit per semester during Years 11 and 12 (to a maximum of three units).

Not only does this program let you 'Look At Us Now – Christian Heritage' (LAUNCH), it is designed to *launch* you into your higher education studies by letting you experience life as a CHC student while still enrolled in your secondary school studies. The program also acts as a pathway of admission to your higher education studies: when you successfully complete a LAUNCH unit, you automatically meet the academic entry requirements for admission to the related course at CHC following your completion of Year 12 (other entry requirements may also apply). Successfully completing a LAUNCH unit also allows you to apply to CHC via an Early Offer Pathway without the need for an ATAR. If you are accepted into the related course, you will also receive credit towards your degree for the LAUNCH unit.

SELECTING YOUR UNITS

To select your units, log in to the *MyCHC* student portal and follow these instructions:

- On the home page, select the *Class Enrolment* icon.
- Choose your current course name.
- Choose the semester you want to enrol in.
- Keep the enrolment type as "All".
- Tick the unit you want to enrol in. When you have selected a unit the class list will appear at the bottom of the screen.
- Tick the class you want to enrol in (the available online and on campus options will show along with any tutorial options).
- Click the 'Enrol Now' button located on the right-hand side of the screen.

MODES

The modes in which the LAUNCH units are available are as follows:

- **internal** – denotes weekly on campus classes, usually consisting of three hours of face-to-face contact per teaching week; and
- **online** – denotes online study materials and/or classes.

It is recommended that you enrol in units in the internal mode if possible so that you can be part of a first-year undergraduate class and experience what it is like to be a CHC student.

You are expected to devote a minimum of 10 hours per week to your LAUNCH unit. This includes on campus and/or online classes, engaging with online learning materials, readings, and preparation of assessment tasks and examinations (as applicable). This is in addition to your school study program.
